The Adler Graduate School (AGS) may be just what you are looking for.

On the first Wednesday of every month, AGS holds an open house for prospective students.

You are invited to attend the next open house on Wednesday, July 5, 2006 from 6:00 – 7:30 p.m.

This is an opportunity for you to meet faculty members and students who will talk about our Master's Degree with tracks in Marriage and Family Therapy, School Counseling and Management Consulting and Organizational Leadership.

You will also learn about our two certificate series in Professional Life Coaching and Coaching and Consulting in Organizations.

The Ol' Ball Game: Time to Place your Order

The Adler Graduate School invites all students, faculty, alumni and friends to join in the fun at the Minnesota Twins game on Thursday afternoon, July 20th. It's time to place your ticket order.

We have a large block of seats reserved in the upper deck between home and third (excellent seats). Game time is 12:10. The Twins are playing the re-energized Tampa Bay Devil Rays.

Here is what to do if you want to join the Adler crowd at the Metrodome on July 20:

1. Send me an e-mail that you plan to attend and how many tickets you need
2. No later than Wednesday, June 28, deliver or mail to me a check made payable to the "Minnesota Twins" in the amount of \$16.00 per ticket. For example, if you want to reserve two tickets, send me a

check for \$32.00 made out to the "Minnesota Twins."

3. I will go to the Dome the week of July 3 to get the block of tickets and have them for you to pick up starting July 12th. The tickets will be in individual envelopes with your names on them.

Again, I need your check (no cash or credit cards) by June 28.

AGS Reception a Success

AGS hosted a reception in May to introduce the greater community to the school's new location.

The mayor of Richfield, Martin J. Kirsch, as well as some members of the Richfield City Council attended the gathering and gave the Adler Graduate School a

warm welcome to the city.

Tours of the school were available for alumni and for the family and friends of AGS' current faculty, staff and students.

Beverages were provided and a smorgasbörd of delicious hors d'œuvres was prepared by the Backyard

Bar and Grill for all those in attendance.

The staff, administration and faculty of the Adler Graduate School thank all of you who participated in this event and made it such a great success!

Free Coaching Seminars

Free life coaching seminars will be held at the Adler Graduate School on June 14th and July 12th from 6:00-7:30 p.m.

You'll see a live coaching demonstration and you're also invited to ask questions of a graduate of the Adler Graduate School Professional Life Coaching series.

You'll hear an overview of the program which will help you decide if you want to add coaching to your set of professional skills.

For questions regarding the life coaching program call Life Coaching Certificate Series Coordinator Paula Hemming at 612-861-7554, Ext. 112, or email her at coachpaula@earthlink.net

The Adler Graduate School is located at 1550 East 78th Street, Richfield, Minnesota.

To register for the seminar call Evelyn Haas at 612-861-7554, Extension 103 or email her at ev@alfredadler.edu

Coming Soon!

A new community section is being created for the AGS website which will contain information about places of interest in our new Richfield location.

Restaurants, coffee shops, accommodations, bookstores as well as information about bus and light rail routes will be included.

We are also working on a page that will list recreational facilities such as nearby bowling alleys, the new water park across Highway 494 from the Adler Graduate School, the Mall of America, parks, entertainment venues, etc.

Our new location has much to offer Adler students,

faculty, alumni and visitors.

We look forward to being able to provide this information soon.

The Ol' Ball Game

(continued from Page 2)

I will set up an e-mail group for all who will be attending on July 20th so I can correspond directly with you.

Everyone will need to find

their own transportation to and from the Metrodome where we will meet on July 20th, in section 228.

This should be a fun outing

which will become an annual summer event.
