Billing information for the current school year and term will appear. To view other years or terms, click the small down-arrow next to the appropriate box **(a.)** and make the corresponding selection **(b.)** and click SUMBIT **(c.)**. Summary information, including your current balance **(d.)** appear at the bottom of the screen. In the example below, the student received financial aid, but still owes tuition because they didn't request enough to cover all the charges.
